Sweepmaster B500 *Sweeping machine*

Simply powerful for all hard floors and carpets

Sweepmaster B500

Sweeping machine for all hard floors and carpets. Coverage of up to 2,400 m²/h. Effective dust absorption through a powerful vacuum blower with a large filter. Highly-effective, filter-cleaning system.

Dirt hopper and filter system

The big and fully usable corrosion-free dirt hopper has a capacity of 40 litres and is the largest of its class. Thanks to the efficient filter system, the Sweepmaster B500 manages even the most demanding sweeping tasks easily.

Maintenance Free batteries

Eliminates operator battery checking errors. Simple charging – just plug-in free-standing charger. Reduced R & M costs.

Distinct information

The clearly arranged control panel explains each function and every value of the machine by using easy-to-understand symbols.

Easy to operate

Easy operation and useful extras make day-to-day work even easier and more efficient.

| Technical specifications Sweepmaster | | B500 |
|--------------------------------------|-------------------|-------|
| Sweeping width/ with side broom | cm | 40/60 |
| Sweeping performance | m ² /h | 2,400 |
| Dirt hopper capacity | l | 40 |
| Filter area | m ² | 1.2 |
| Performance | W | 210 |
| Sweeping speed | km/h | 4.0 |
| Ready-for-use weight | kg | 51 |
| Width | mm | 700 |
| Length | mm | 880 |
| Height | mm | 600 |

Configuration, colour and design are subject to change without notice in favour of new technical developments. Images may show optional extras.
